Amethyst House Addiction Services
Annual Report 2025

Our mission is to provide a foundation for recovery by partnering with individuals, families, and communities impacted by addictions and substance-abuse issues, offering quality residential and outpatient treatment services and guidance for healthy living.

Amethyst House provides residential treatment for clients with substance abuse diagnosis, with regular client-staff interaction to facilitate the recovery process including case management, clinical services (groups & individual), life skills training, EMDR, house meetings, and referrals to other organizations as appropriate. Outpatient treatment participation and involvement in the recovery community are components of the program.

Amethyst House also provides a variety of Outpatient Services including Substance Abuse Assessments; Outpatient Groups (Intensive Outpatient Treatment, MRT, DBT, Recovery Skills, and Continuing Care); Individual and Family Therapy Sessions; EMDR, and Recreational Enhancement Activities.

Highlights for 2025

Programs:

- Provided treatment to 242 clients with 156 receiving long-term transitional residential treatment.
- Amethyst House provided services to an average of 71 clients per month in Bloomington as well as 46 clients per month in Vanderburgh County through our subcontractor *Counseling for Change*. Exceeded monthly persons served outcome goal expectations set by the Division of Mental Health and Addictions for all 12 months in 2025.
- Amethyst House ranked #6 in Newsweek's *Best Addiction Programs in Indiana* for the third year in a row.
- Trauma Informed Care- five clinicians trained in Eye Movement Desensitization & Reprocessing (EMDR) provided services throughout the year.
- We were able to utilize a part-time physician to assist with consultation, admission reviews, and providing physicals for residents who are having difficulty accessing the local health care system. Dr. CM Hocker is very appreciated.
- Consumer Satisfaction evaluations showed the following results:
  - 99% of respondents agreed that AH helped them increase their understanding of addiction and substance abuse.
  - 97% of respondents stated that they learned skills to help them to remain in recovery and 95% intent to.
  - 91% of respondents stated that they would recommend AH to a friend or a loved one.

Community Involvement:

- Continue our partnership with IU SPEA, Student Fellowship program. Hosted a student for the year that assisted with communication, social media and fund development.
- Participated in local events such as Paint the Town Purple, Recovery Celebration, and our Annual Fundraiser a Community Dance @ Harmony School.
- Amethyst House had student interns for clinical services that included Doctoral and Master's level IU Counseling Psychology Departments, and undergraduate IU School of Social Work and Counselor Education Departments.
- Staff members involved with Monroe County Community Corrections Advisory Council, weekly Monroe County Drug Court meetings, and United Way Agency Directors Association (UWADA).
